

«PeakTech® P 7015» Alligator clamps for Digital Multimeter

€8.90

Prices excl. VAT plus shipping costs and possibly lower value surcharge

Product number: P 7015

GTIN/EAN: 4250569402609

Description

The alligator clips enable safe measurements even on bare or exposed cables. With their 4 mm sockets, they can be used for almost any multimeter and measuring device. A maximum of safety is achieved by the protection against accidental contact with conductive metal parts. This makes these accessories ideal for use in training and service.

Technical features

- Clamp opening up to 25mm
- Suitable for currents up to 10 A
- Safety according to IEC / EN 61010-031:2008
- Overload category CAT III 1000 V

Specifications

Contains: Alligator clips

Double isolated: PeakTech Prüf- und Messtechnik GmbH

Input connector: Alligator clip
Gerstenstieg 4
DE-22926 Ahrensburg
